

Nine-month consolidated sales: €376.8 million

Haulotte Group had consolidated sales of €118.1 million in the 2008 third quarter (including a €12.3 million from Bil-Jax) compared with €127.1 million the same period last year restated for the disposal of French rental business.

Nine-month consolidated sales declined 10% to €376.8 million (versus restated sales of €420.9 million for the equivalent prior-year period) while the share of revenue from international markets outside Europe (19%) continued to expand. Growth of 35% in sales from Services was not sufficient to offset the 13% decline in equipment sales.

Due to a lack of visibility caused by the current uncertain economic environment, the company is unable to issue updated guidance for 2008
